Top Up Fees- Out of School Care

Top up fees are used to pay for Sunflower Pro D Days and Camp. It is a discounted rate for students who would attend the day of the week that a camp falls on. For example, if Lucy usually attends Monday-Thursday Afternoons and a ProD Day camp falls on a Monday, Lucy would pay the PM Top Up fee. If the Pro D Day camp falls on a Friday and she wants to come, Lucy would pay the full fee as she does not regularly attend that day. The purpose of Top up fees is to even the fee cost for all families and ensure that Sunflower has adequate resources to provide high quality camps.
